Introduction for the Day

- **Short review of the previous day**
- **Final test**
- **Brainstorming and group works: results and conclusions**
- **Comprehensive conclusion of the module**

Final test

- **The final test is being divided in two parts:**
 1. **The test done in the first Day, will be repeated.**
 2. **The individual test will be done, in which is measured, how well information received during the Module has been adapted and copied with by participants.**
- **The teacher collects the results, does an individual and personal evaluation about answers / results and will send them personally and either post or mail them to each participant.**

Results of the Group works

- **The key results and findings of group works:**
 - **teacher gives preliminary results;**
 - **participants are given 1 hour discussion opportunity to further develop results;**
 - **teacher collects possible further ideas and will make them as a short report, which will be sent to everyone.**
